Terms and Conditions – Online Member 6 Months Free Membership (NSW)

These terms and conditions apply to Energy Locals' Online Member 6 months free membership promotion (the "Promotion") and are to be read in conjunction with our Market Terms and Conditions available [here](#).

The Promotion is available to new residential customers in New South Wales who sign up for Energy Locals' Online Member Plan between 13 December 2023 and 31 January 2024 via the Energy Locals website (www.energylocals.com.au). For the purposes of these terms and conditions, 'new residential customers' includes customers that have switched from their existing retailer to Energy Locals or choose Energy Locals as their retailer for their new residential premises (move in).

There is a limit of one 6 months free membership claim per eligible account.

If you are eligible for the Promotion, the 6-month free membership will be credited to your account monthly in 6 monthly instalments of \$16.49 after successful transfer or connection (move-in) to Energy Locals and will be applied to your account monthly following the date of transfer. The monthly instalments cannot be exchanged for cash, transferred to another account or refunded. Eligible customers that terminate their agreement with Energy Locals for the supply of electricity to their premises before their monthly credits have been applied to their account forfeit any remaining instalments.

This promotion may be extended or finalised at the discretion of Energy Locals, regardless of the scheduled end date of 30 November 2023.

The Promotion and these terms and conditions are subject to change by Energy Locals at any time and without notice. Any changes to these terms and conditions will be updated on our website.
